Romanian Communist Secret Police Tried To Kill Rev. Richard Wurmbrand And Family,

“The devil walks about like a roaring lion, seeking whom he might devour!” (1st Epistle of Apostle Peter 5:8) Please, dear fellow Christians, never underestimate your enemy!

From the 8,500 pages of declassified documents re. the Wurmbrand family in the archives of the former Romanian Communist Secret Police (“Securitate”). An undisputable proof the Romanian communists decided and planned to carry on the assassination of the Wurmbrand family .

REPRODUCED DOCUMENT FROM THE ARCHIVES OF THE ROMANIAN COMMUNIST SECRET POLICE A PLAN BY THE COMMUNISTS TO KILL THE WURMBRAND FAMILY!

TRANSLATION

Following is a translation by Michael Wurmbrand of a partially reproduced communist secret police document describing such a seven-point plan to kill the Wurmbrand Family:

“Strictly Secret, in one copy. No. 25.856, August 13, 1974. APPROVED! (Signed “Barbulescu”)

PLAN OF MEASURES, regarding “ASHAVER” (the code name of the communist External Information Service for the late Reverend Richard Wurmbrand, as may be seen from hundreds of documents and the text itself. The concatenated “A SHAVER” is an English slang term, coming from an equivalent Romanian word, designating someone who is an itinerant truant, someone having escaped from being controlled. NT, note of translator.)

“ASHAVER” (Richard Wurmbrand, NT), age 65, evangelical minister, married, has one child, lives in Los Angeles, 1109 E. Chevy Chase (the Richard Wurmbrand correct office address at the time, in Glendale, Ca. NT) “After leaving the country, he launched an intense campaign of badmouthing the political regime in our country (communist government, NT) editing over 10 million (books, NT) fliers and other materials of inimical character.

(over)

După plecarea din țară a declanșat o intensă campanie de calomnie la adresa regimului politic din țara noastră, editînd peste 10.000.000 exemplare, broșuri și alte materiale, cu caracter mînos.

Cu sprijinul cercurilor clericale reacționare, organizează conferințe în diferite state din Europa și America, atacînd mod virulent România.

În deplasările ce le face este însoțit de soție și 3 impresari, care îi organizează adunările.

În ultimul timp își manifestă teama că va fi lichidat de organele de stat sovietice, împotriva cărora, de asemenea, desfășoară acțiuni de calomniere.

(A plan to assassinate the Wurmbrand family, continued...)

Intrucît acțiunile întreprinse asupra sa nu efect, se impune necesitatea luării unor măsuri de anihilare a sa, în care sens propunem următoarele variante :

1) Deplasarea în "GALAXIA" a unui ofițer, cu de a studia și creea posibilități de acționare asupra lui

- 2 -

urmînd ca prin agentură să se stabilească :

- amplasarea și împrejurimile locuinței, eventuale sisteme de alarmare și pază;
- programul activităților, traseele de deplasare, mijloacele de transport folosite, locuri frecventate, persoanele apropiate din anturajul său.

Intrucît "ASHAVER" primește la domiciliu vizite, vom folosi acest prilej pentru pătrunderea legată în locuință a unui ofițer sau colaborator, în vederea anihilării sale printr-un mijloc adecvat condițiilor concrete, existente.

Termen: 26.09.1974

Răspund: Lt.Col.PESCARU ION
Lt.Col.GRIGORIU D.

2) Prin sursele "VERON" și "ELIAS" se va stabili programul deplasărilor lui "ASHAVER" în următoarele trei luni, urmînd ca în funcție de acesta, să se stabilească țara care oferă cele mai bune condiții de acțiune.

În acest scop, se va deplasa în spațiul respectiv un ofițer, care vor studia condițiile locale (sălile în care-și ține conferințele, locurile de masă și cazare probabile), luîndu-se măsuri de plasare a unui dispozitiv special de otrăvire în patul din camera în care va fi cazat.

Termen: 10.09.1974

Răspund: Lt.Col.PESCARU ION
Lt.Col.GRIGORIU D.

3) Avînd în vedere că "ASHAVER" se folosește de o editură religioasă din Geneva, pentru redactarea și plasarea lucrărilor sale, unde se deplasează uneori, prin sursa "HERMANN" se vor face verificări asupra imobilului, personalului, posibilitățile de acces și perioadele cînd urmează să se deplaseze în Elveția, în vederea folosirii acestei împrejurări pentru a acționa.

"With the support of rightwing religious circles, he organizes conferences in different countries in Europe and in the United States, attacking Romania virulently.

"During his travels he is accompanied by his wife and 2-3 public relations persons, arranging his meetings.

"Lately he expressed fears being liquidated by the Soviet State authorities, against which he organizes badmouthing actions as well. "Since the actions undertaken (by us) against him had so far no result, the situation demands undertaking measures of his total destruction. Therefore we propose different (actions) as follows:"

" 1) Sending a (secret police) officer to "GALAXIA" with the mission of studying and creating possibilities to act against "ASHAVER (Richard Wurmbrand, NT)." (GALAXIA was the secret code name, used by the communist information services at the time, for the United States, NT)

" in order to establish through (our) agency (embassy, NT) the activities schedule, routes (taken) means of transportation, places visited, persons close to him. Since "ASHAVER (Richard Wurmbrand, NT)" allows visits at his home, we will use this opportunity for the penetration by an officer or collaborator to give us a proper description, with the scope to annihilate him through some means corresponding to the concrete existing environment. Accomplishing term (of mission): September 20th 1974 Responsible (persons for the plan:) Lieutenant Colonel Pescariu Ion, Lieutenant Colonel Grigoriu D.

" 2) Through our informers "Veron" and "Elias" (obviously code names, NT) we will establish the travel schedule for the next 3 months of "ASHAVER" (Richard Wurmbrand, NT), trying based on this, to find out the country offering best opportunities for carrying this plan.

"Based on such data, (one of our) officers will travel there to study the local environment (halls where conferences are being held, probable places he eats or dwells) taking special measures to place a poisoning means in the bed he will sleep.

" Accomplishing term (of mission): September 10th 1974, Responsible (persons for the plan:) Lieutenant Colonel Pescariu Ion, Lieutenant Colonel Grigoriu D.

"3) Since "ASHAVER's (Richard Wurmbrand, NT)"s (books) are published by a religious publishing house in Geneva (Switzerland), visited by him (in his travels)

4) Intrucît în luna octombrie a.c. "ASHAVER" urmează să se deplaseze în Israel, cu sprijinul informatorului "EREMIA" să se deplaseze, sediile în care se organizează adunările, persoanele care-l însoțesc, locurile de cazare, măsura vederea pregătirii condițiilor de acționare asupra lui. Se va urmări cu atenție veni-tu-rea și să se apro-bă această măsură în spațiul respectiv și să se așeze acolo un ofițer, care va perfec-ta planul de acțiune și să-l pună în aplicare.

Termen: 10.10.1974
Răspund: Lt. Col. PES
Lt. Col. GRI

5) Din date recente obținute, rezultă că "ASHAVER" a continuat activitatea sa dușmănoasă și pe fiul său, inginer, domiciliat în IC, pe care-l vizitează periodic. Prin posibilitățile lui "ABAR" se vor face verificări asupra domiciliului și al activității lui, în scopul analizării oportunității acționării și să se decidă dacă va veni în acest spațiu.

Termen: 01.10.1974
Răspund: Lt. Col. PES
Lt. Col. GRI

6) Se va studia posibilitatea folosirii unui element chimic, de deplină încredere, care în schimbul unei remunerații corespunzătoare, să asigure lichidarea lui "ASHAVER".

7) Se vor lua măsuri corespunzătoare pentru realizarea unui dispozitiv- exploziv telecomandat - și a unei substanțe chimice, care urmează a fi folosite pentru anihilarea acestuia.

CONTINUATION FROM THE RIGHT COLUMN!

Accomplishing term (of mission): October 10th 1974, Responsible (persons for the plan:) Lieutenant Colonel Pescariu Ion"

End of translation of reproduced document. There are further documents attesting to the communist dictator of Romania, Nicolae Ceausescu and the head of the secret police approving these assassination plans. If the reader asks how come we have not been killed already following such a gigantic effort on the part of the Romanian communists? The first and only answer is "BY THE GRACE OF GOD!" Once uncovered, Communist Romania was sternly warned by the American government to cease and desist such evil designs if it wanted to continue its profitable trade with the West!

through the informer "HERMANN" (obviously a code name, NT) we will find out details re. the building, the employees, access paths, when is he likely to travel to Switzerland, in order to use such information to act (on this plan.) " Accomplishing term (of mission): September 25th 1974

Responsible (persons for the plan:) Lieutenant Colonel Pescariu Ion, Lieutenant Colonel Grigoriu D.

"4) Since October, this year, "ASHAVER (Richard Wurmbrand, NT) is scheduled to travel to Israel, therefore with the help of informer "EREMIA" (obviously a code name, NT) we will establish the cities where he will travel, the halls where he will hold meetings, persons accompanying him, places of meals and hotels in order to prepare the conditions to act upon him. If these measures in that "actionable space" will be approved, an officer will be placed there to carry on the actual plan. " Accomplishing term (of mission): October 10th 1974

Responsible (persons for the plan:) Lieutenant Colonel Pescariu Ion, Lieutenant Colonel Grigoriu D.

" 5) Recently obtained information shows that "ASHAVER (Richard Wurmbrand, NT)" has involved in his activities his son, an engineer (by education), living in (IC, unclear abbreviation, might mean within the radius of the Romanian consulate, NT) and he visits him from time to time. Through the possibilities of the conference holder "ABAR" (probable code names for the local consulate of Romania on the US west coast and its consul, NT) we will find out his dwelling address and his activities, in order to analyze any opportunity given to act upon him when visiting there. Accomplishing term (of mission): October 1st 1974,

Responsible (persons for the plan:) Lieutenant Colonel Pescariu Ion, Lieutenant Colonel Grigoriu D.

"6) We will study using an experienced person, in whom we could have full confidence, who, against a corresponding payment, will insure the destruction of "ASHAVER (Richard Wurmbrand, NT.)"

"7) We will take corresponding measures to implement a device, capable of an explosion obtained from a distance and of a chemical substance, ICE (code name of the substance, NT) to be used to destroy him.

Children were dirty and full of lice. Mother is presently in a psychiatric ward. The Agape Christian Orphanage personnel was asked in 2011 by Romanian government authorities to intervene urgently, themselves alerted suddenly of this dire situation. Both children are now in elementary school, studying hard.

Receipt acknowledging one of the Help For Refugees 2015 donations (dated 5/7/2015.)

The running expenses of the orphanage when started by Rev. and Mrs. Wurmbrand in 1993, amounted to about \$25,000 per year. Due to many new requirements of the European Union and galloping inflation, the orphanage needs over \$120,000 per year to function properly. Due to shortage of funds, the orphanage must rely on local donations of food-packages, cans and containers. Some of its grown-up kids do work in the fields.

A Christian Testimony

Biography of ANDRONIC LUCI, a lady who spent 5 years in communist prisons for her faith. Has a mentally handicapped child. She writes, "I was arrested (under Communism) 3 months only after my engagement, on 6/12, 1959, and was judged and sentenced within one month by a military court with others within a group which included also my father and another young lady, 13 believers of the Army of the Lord. I was accused of having mobilized young people (for the faith.) The entire group was sentenced for the crime of "plot against the social order." Since, even the court could not substantiate these accusations, it was changed to "insubordination to the laws of the Romanian state." So that on my very birthday, 7/15/1959 at the age of 26, I received the "present" of a 5 years of prison sentence, and my father of an 8 years prison sentence in comparison to the others in the group receiving 9 and even 10 years of prison. My husband-to-be, my mother and my sister were looking at us powerless while we were guarded with weapons and hateful looks. We were the only two young girls arrested by the communist in the Army of the Lord (at the time.) Difficult years of prison followed especially for a woman. Beside hunger and cold, misery, the greatest suffering was not knowing anything about the family. On top of this the news we had was that of our husbands divorcing us under the pressure of the secret police. (This was not my case, as my bridegroom waited for me.) I was freed by a special decree in my 4th year of prison. I came out of prison, one step only away from death and was immediately interned into a hospital. It took a year of treatment to be able to marry. God gave me 4 children whom I raised in extremely difficult conditions I am the one maintaining a household of 5 and my health is falling apart. We hope God will not abandon us. God Bless you."

Biography of sister Barbu Maria of the Army of the Lord Evangelical movement in Romania

Her father Opris Ioan, a known leader of the Army of the Lord, now deceased, having 10 children underwent much torture during 7 years of communist prison. She writes: "Being the oldest daughter with 9 other brothers and sisters, I had to raise them all, while my father was in prison, as my mother worked outside the house so we have what to eat. The youngest sister was 5 years old and I turned up to be like her mother. It was difficult as everything was taken away (by the Communists) we had no money, hardly anything to eat and still we somehow managed to grow up. I was a young widow, who had and raised 6 children of my own. I praise the Lord Jesus for His help until now. I pray the Lord for those who still think of us who on the outside suffered with those who were inside prisons. God's blessing should remain with you." She is still active in the Vinera and Cugir, Romania, Army of the Lord churches.
